Positive Things to Say to Children during this time.....

I know you did your best

You are helpful

I believe in you

You have great ideas

You make me proud

We all make mistakes – it's OK

I'm so glad you are here

Don't give up

You can try again later

It's Ok to be scared

I love how you said that

Being kind makes you strong

You make my heart full

I'll always love you
